

Tempus 700

PENETRANT - ACIDIFIER - DEPOSITION AID - DRIFT CONTROL AGENT

ACTIVE INGREDIENTS

Propionic acid, lecithin, and polyoxyethylene lauryl ether	80%
Constituents Ineffective as an Adjuvant	20%
TOTAL	100%

KEEP OUT OF REACH OF CHILDREN DANGER / PELIGRO

Si usted no entiende la etiqueta, busque a alguien para que se la explique a usted en detalle. (If you do not understand the label, find someone to explain it to you in detail.)

PRECAUTIONARY STATEMENTS: Causes skin irritation and serious eye irritation. Read label before use. Keep container tightly closed. Keep only in original container. Avoid breathing dust, fume, Gas, mist, vapors, or spray. Wash skin thoroughly after handling. Do not eat, drink, or smoke when using this product.

PERSONAL PROTECTIVE EQUIPMENT (PPE): Wear chemical resistance eyewear and gloves, long-sleeve shirt and pants, and shoes and socks.

GENERAL INFORMATION

Tempus 700 is a non-ionic, low foaming penetrant. Tempus 700 may be used to enhance the activity and effectiveness of agricultural and industrial chemicals. Tempus 700 provides more uniform coverage of spray solutions and aids in penetration. Tempus 700 may be used to acidify (lower pH) of spray solutions thus preventing alkaline hydrolysis of pesticides sensitive to high pH. Tempus 700 improves deposition and retards drift by producing a more uniform spray pattern. The degree of drift hazard varies with the type of pesticide and application conditions. Tempus 700 will help control, but not eliminate, drift.

DIRECTIONS FOR USE

Tempus 700 may be used on a wide variety of crops including fruits, vegetables, row crops, tree nut crops, citrus, small grains, forage crops, vine crops, turf or in non-crop sites, aquatic* (including wetlands), forestry (site preparation and release), industrial (storage areas, plant sites, and other similar areas including governmental and private lands), grasslands (including pastures, rangeland and fence rows), rights-of-way (utility, railroad and roadsides), turf (golf courses, parks, and sod farms), and ornamentals (container, field or greenhouse). The pesticide manufacturer's label should be consulted regarding specific adjuvant use recommendations and that rate should be used. Do not exceed 5% by volume of finished spray mix unless specified on the pesticide label.

Acidifying Agent: Highly alkaline water (pH 8 or higher) 8 to 16 ounces per 100 gallons of spray mixture. Mildly alkaline/acid water (pH 6.5 to 8) 4 to 8 ounces per 100 gallons of spray mixture. **NOTE:** Tempus 700 is an acidifier and may be physically or chemically incompatible with alkaline spray materials.

General Use: Herbicides (terrestrial or aquatic*), Defoliant, Desiccants: 1 to 4 pints per 100 gallons of spray mixture when used as a penetrant, 12 ounces to 2 pints per acre when used in place of crop oil concentrates. Insecticides, Fungicides, Plant Growth Regulators, Foliar Nutrients: ½ to 2 pints per 100 gallons of spray mixture.

Non-Crop Sites: 1 to 8 pints per 100 gallons (1 to 6 fluid ounces per 5 gallons) of spray mixture.

Turf and Ornamentals: 1 to 4 pints per 100 gallons (1 to 3 fluid ounces per 5 gallons) of spray mixture. Not all ornamentals have been tested. Test small representative sample plot

NET CONTENTS:

- 2.5 U.S. Gallons (9.46 liters)
- 270 Gallons (1022.06 liters)

before wide scale application is made.

Tank Mix Compatibility: Tempus 700 is compatible with most pesticide formulations including water-soluble, flowable and wettable powders. For tank mix compatibility concerns, conduct a jar test of the proposed mixture to ensure compatibility of all components. Mix components in the same ratio as the proposed tank mix.

Application may be by ground or air.

FIRST AID

Call a poison control center or doctor immediately for treatment advice.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes.

Remove contact lenses if present, after the first 5 minutes, then continue rinsing the eye. **IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. **IF SWALLOWED:** Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth if possible.

HANDLING AND STORAGE

STORAGE: Store in a cool well-ventilated place. Keep in original container tightly closed. Do not re-use empty container. Do not store with food, feed, or other material to be used or consumed by humans or animals. Do not contaminate water supplies. For optimal storage, store between 40° and 90° F. If frozen, warm product before use.

PRODUCT DISPOSAL: Do not contaminate water, food or feed by storage or disposal. Dispose of contents at an approved waste disposal facility. Triple rinse (or equivalent) container by adding rinse water to spray tank. **CONTAINER DISPOSAL:** Offer container for recycling or dispose of container in sanitary landfill, or by other procedures approved by appropriate authorities. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.agrecycling.org.

CONDITIONS OF SALE—LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES

TEMPUS AG, LLC warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in strict accordance with the directions. TEMPUS AG MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY OTHER EXPRESS OR IMPLIED WARRANTY.

Limitation of Remedies: The exclusive remedy against TEMPUS AG for any cause of action relating to the handling or use of this product shall be limited to, at TEMPUS AG's election, one of the following: (1) Refund of purchase price paid by buyer or user for product bought, or (2) Replacement of amount of product used. TEMPUS AG shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company and the seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.

*Not for Aquatic use in Washington State.
