

Tempus COC

CROP OIL CONCENTRATE

ACTIVE INGREDIENTS

Principal Functioning Agents:	
Paraffin Base Petroleum Oil.....	83%
Other Ingredients:	
Polyol Fatty Acid Esters,	
Polyethoxylated Derivatives Thereof.....	17%

All ingredients are exempt from tolerance requirements under 40 CFR 180.

KEEP OUT OF REACH OF CHILDREN CAUTION! / PRECAUCIÓN!

Causes eye irritation. Causes skin irritation. Harmful if swallowed.

GENERAL INFORMATION

Tempus™ COC is a balanced system of oil and surfactants designed to be used with herbicides and defoliants that call for an oil adjuvant. NOVITA COC may be used as a replacement for crop oils and surfactants added to herbicide and defoliant spray programs.

DIRECTIONS FOR USE AND APPLICATION RATES

Always follow pesticide manufacturer's label directions. Tempus™ COC is compatible with most oil-soluble herbicides. Check the particular brand labels to be sure that use with a crop oil is not prohibited on the label.

BRUSH CONTROL: For weed and brush control foliage sprays, use 1 gallon Tempus™ COC per 100 gallons of finished spray. For increased efficacy in late season sprays, use 2 gallons per 100 gallons.

AERIAL & GROUND SPRAYS USING 5-50 GALLONS/ACRE: Use 1 to 2 pints Tempus™ COC per acre in sufficient volume to provide good plant coverage with the equipment used. To increase coverage of mid to late season sprays add 1 to 2 quarts per acre. Do not exceed 2.5% v/v concentration.

Since Tempus™ COC may increase the activity of herbicides, care should be exercised in applying it with herbicides to new varieties or highly inbred lines or under weather conditions, such as high temperatures and high humidity which tend to increase herbicide activity. The use of test areas is recommended if these conditions prevail. Due to variation in natural water compositions, formulations by brand, and types of agitation, pre-testing of the intended tank mixture is recommended.

MIXING

Fill spray tank one-half full of water, add the desired amount of herbicide and continue filling. Add correct amount of NOVITA COC last and continue agitation.

NET CONTENTS:

- 2.5 U.S. Gallons (9.46 liters)
- 30 Gallons (113.55 liters)
- 270 Gallons (1022.06 liters)

NET WEIGHT: 10.09 lbs./gal

FIRST AID

Have the product container with you when calling a poison control center or doctor, or going for treatment.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present, after the first 5 minutes, then continue cautiously rinsing eye. If eye irritation persists: Get medical advice or attention.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Wash skin with plenty of soap and water for several minutes. If skin irritation persists: Get medical advice or attention.

IF SWALLOWED: Call a POISON CENTER, doctor or physician if you feel unwell. Unless advised otherwise by a poison control center or doctor, have person rinse mouth with water, if able. Do not give anything by mouth to an unconscious person.

IF INHALED: Remove person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth if possible.

HANDLING AND STORAGE

Store in a cool, dry place in original container. Do not store near oxidizing agents. Keep container closed in storage. Do not allow water to be introduced. If Tempus™ COC is stored below 20 °F for an extended period, it may become cloudy and thickened. By raising the temperature above 32 °F the product will return to its normal clear and fluid state.

WARRANTY: Directions for Use of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result, because of such factors as weather conditions, presence of other materials, or the manner of use or application all of which are beyond the control of TEMPUS AG, LLC or the Seller. All such risks shall be assumed by the Buyer. TEMPUS AG, LLC warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to the Directions for Use subject to the inherent risks referred to above. TEMPUS AG, LLC makes no other express or implied warranty. In no case shall TEMPUS AG, LLC or the Seller be liable for consequential, special, or indirect damage resulting from the use or handling of this product. TEMPUS AG, LLC and the Seller offer this product, and the Buyer and User accept it, subject to the foregoing Conditions of Sale and Warranty, which may be varied only by an agreement in writing signed by a duly authorized representative of TEMPUS AG, LLC.
